UMA PHARMATECH MACHINERY

The Feature Of Biotech

Service Charges:

Any service visit after successful completion of installation and commissioning will be charged @ Rs.5,000/- per person, per day, plus to and fro charges. We advise that prior to calling our engineer; your trained technician should try and troubleshoot the problem over telephone, as mostly these are small adjustment issues. Service engineers are costly and we do not want to waste either yours or our money.

PAYMENT TERMS:

70% deposit required to start work with P.O. Balance 30% before dispatch of machine. We trust that you will find our quote satisfactory and look forward to working with you. Please contact us should you have any questions at all.
